

Workshop & Seminars

March 2, Monday

07:30 – 09:00	TSCA CDR-rule (Chemical Data Reporting) – hands-on	Chair: Lynn Vendinello , US EPA
Workshop	Reporting for the 2020 CDR begins June 1, 2020 – this workshop enables industry to better understand the updated requirements of the CDR rule as well as guidance on the actual reporting	Susan Sharkey , US EPA Mark Herwig , United Technologies Corporation Kathleen M. Roberts , Bergeson & Campbell, P.C.
09:15 – 11:00	The amended TSCA and its 2020 priorities, implementation and direction for new and existing chemicals – Part 1	Chair: Lynn L. Bergeson , Bergeson & Campbell, P.C.
Seminar 1	<p>45' Overview of the amended TSCA and its 2020 priorities, implementation and direction for new and existing chemicals</p> <p>20' Re-set TSCA Inventory and Practical Implications</p> <p>20' New Chemicals: Securing Not Likely Findings</p> <p>20' New Chemicals: Demystifying Compliance</p>	<p>Alexandra Dunn, US EPA</p> <p>Mark Herwig, United Technologies Corporation</p> <p>Richard E. Engler, Bergeson & Campbell, P.C.</p> <p>Catherine Croke, Evonik</p>
11:00 – 11:30	Coffee break	
11:30 – 13:30	The amended TSCA and its 2020 priorities, implementation and direction for new and existing chemicals – Part 2	Chair: Lynn L. Bergeson , Bergeson & Campbell, P.C.
Seminar 1	<p>25' TSCA Fees Rule: Overview of Process and Requirements Associated with EPA-Initiated Risk Evaluations</p> <p>35' Risk Evaluation new and existing chemicals – case studies and lessons learned</p> <p>20' PV29 Risk Evaluation – lessons learned</p> <p>40' The New TSCA Risk Evaluation Paradigm: A Panel Discussion, stakeholder feedback and Q&A</p>	<p>Mark Hartman, US EPA</p> <p>Tala Henry, US EPA</p> <p>Dave Wawer, SOCMA</p>
13:30 – 14:30	Lunch break	
14:30 – 16:15	Hazardous chemicals information schemes – Part 1	Chair: Robert Kiefer , REACH24H
Seminar 2	<p>20' Emergency Planning and Community Right-to-Know Act (EPCRA) and the Toxics Release Inventory (TRI) Program</p> <p>20' PRTR (Pollutant Release and Transfer Register) pilots and aims in Latin America in comparison with North America</p> <p>20' Chemical Facility Anti-Terrorism Standards (CFAT)</p> <p>25' Poison centre notification in Europe - Notification process and tools. Including the SCIP database (substances of concern in articles, as such or in complex objects (products)) requirements</p> <p>20' An industry view on poison centre notification</p>	<p>Stephanie Griffin, US EPA</p> <p>Rodolfo Ivan Alarcon Mora, Ministry of Environment and Sustainable Development of Colombia</p> <p>Robert Helminiak, SOCMA</p> <p>Christian Gründling, FCIO</p> <p>Torsten Funk, SIKa</p>
16:15 – 16:45	Coffee break	
16:45 – 18:30	Hazardous chemicals information schemes – Part 2	Chair: Robert Kiefer , REACH24H
Seminar 2	<p>30' The EU waste Framework Directive and circular economy</p> <p>25' Circular economy and waste an industry perspective</p> <p>30' Design your product & packaging with circular economy in mind</p> <p>20' Q&A</p>	<p>Cristina de Avila, European Commission DG Environment</p> <p>Bart Vander Velpen, Royal HaskoningDHV</p> <p>Steven Bennett, Household & Commercial Products Association</p>
18:30	End of Pre-Conference Day	
19:00 – 22:00	Welcome Reception	Supported by 

08:00 – 10:00

Chemical Control Legislation in Latin America

Chair: **Rose Passarella**, Intertek

1

20' Intergovernmental Network on Chemicals and Waste for Latin America and the Caribbean

Alejandra Acosta, Ministry of Environment and Sustainable Development of Argentina

25' Brazil – Overview and current focus on chemical control legislation

Thais Araújo Cavendish, Ministry of Health of Brazil

25' Colombia – Overview on chemical management legislation

Rodolfo Ivan Alarcon Mora, Ministry of Environment and Sustainable Development of Colombia

25' Mexico - Overview on chemical management legislation

Gerardo Ruiz, National Institute on Ecology and Climate Change

25' Argentina – Overview on chemical management legislation

Alejandra Acosta, Ministry of Environment and Sustainable Development of Argentina

10:00 – 10:30

Coffee break

10:30 – 12:45

Chemical Control implementation in The Americas

Chair: **Rose Passarella**, Intertek

2

20' The Latin America Regulatory Cooperation Forum – aims and achievements

Lisa Schroeter, Dow

30' GHS implementation in Latin America – Including an overview of chemical control legislation and trade aspects in Chile, Costa Rica, Ecuador, Panama, Honduras, Venezuela, Uruguay, Peru and Paraguay

Roland Bircher, Sherwin-Williams

20' GHS implementation in North America

Shannon Gainey, REACH24H

20' New NAFTA (USMCA) and its implication on chemicals

Ed Brzytwa, American Chemistry Council

45' Q&A on The Americas

Chair: **Rose Passarella**, Intertek

All speakers from session 1 and 2

12:45 – 13:45

Lunch break

13:45 – 15:45

Safe use of chemicals in the chemical universe

Chair: **Shannon Gainey**, REACH24H

3

25' The chemical universe an ECHA perspective

Ofelia Bercaru, ECHA

25' Data generation - New Approach Methodologies - US EPA perspective

Tala Henry, US EPA

25' Latest RoHS trends around the globe

Meglena Mihova, EPPA

25' Interactions to and with retail customers

Steven Bennett, Household & Commercial Products Association

20' Panel discussion

15:45 – 16:15

Coffee break

16:15 – 18:15

Chemical Control legislation in Canada and the USA

Chair: **Shannon Gainey**, REACH24H

4

40' CMP and Post 2020 chemicals management in Canada incl. Canadian New Substance Notification

Dan Bastien, Intertek

30' State perspectives on ingredients communication & safe products

Steven Bennett, Household & Commercial Products Association

30' Compare/contrast global nanomaterial regulations

Mark Herwig, United Technologies Corporation

20' Panel Discussion

18:15

End of Sessions - Day 1

08:00 – 10:00

Update EU and UK

Chair: **Rüdiger V. Battersby**, EBRC

5

30' Brexit; impact on the chemical industry

Christian Gründling, FCIO

30' EU focus and strategy 2020 and beyond

Cristina de Avila, European Commission DG Environment

30' Compliance of data – strategy for dossier quality and the improvement steps

Ofelia Bercaru, ECHA

30' Regulatory obligations and lists in relation to Authorisation and restriction – What is it about and what are the drivers

Christian Gründling, FCIO

10:00 – 10:30

Coffee break

10:30 – 12:45

Authorisation and restriction in Europe

Chair: **Rüdiger V. Battersby**, EBRC

6

25' Authorization and restriction processes and experiences from an authority perspective

Matti Vainio, ECHA

20' Organising your business for authorisation and restriction

Jeff Schatz, Thermo Fisher Scientific

20' Don't be on the high seas with SEA – Socio Economic Analysis – how to be timely prepared for the application of authorisation

Rudy Colacicco, EPPA

25' Microplastics restriction and endocrine regulations in Europe

Cristina de Avila, European Commission DG Environment

45' Q&A on Europe

Chair: **Rüdiger V. Battersby**, EBRC

All speakers from session 5 and 6

12:45 – 13:45

Lunch break

13:45 – 15:45

Supply chain communication – data and HAZCOM approaches

Chair: **Bart Vander Velpen**, Royal HaskoningDHV

7

25' Data requirements and development of a global test program

Joyce Borkhoff, Intertek

20' Data-sharing and dissemination in Europe

Christian Gründling, FCIO

25' Living with specific concentration limits for classified substances – past, present and future

Rüdiger V. Battersby, EBRC

25' Global Hazard communication and SDS

Ann Johnson, 3M

25' HAZCOM auditing

Jessica Allram, 3M

15:45 – 16:15

Coffee break

16:15 – 18:30

Supply chain communication – Risk assessment approaches and safe use advice

Chair: **Bart Vander Velpen**, Royal HaskoningDHV

8

40' From hazards to risks; ensuring risk-based safe use in the supply chain

Leo van der Biessen, Royal HaskoningDHV

30' REACH-OSH way forward and challenges

Matti Vainio, ECHA

30' Risk management measures – an industry perspective and business cases

Torsten Funk, Sika

35' Q&A on supply chain communication

Chair: **Bart Vander Velpen**, Royal HaskoningDHV

All speakers from session 7 and 8

18:30

End of Sessions - Day 2

19:15 – 22:30

Social Event

08:30 – 10:00

Chemical control legislation in the Asia Pacific region

Chair: **Cheri Kedrowski**, 3M

9

25' Overview of K-REACH and K-BPR and its regulatory implementation

Bella Kim, REACH24H

20' Challenges and opportunities of Polymer Registration under K-REACH

Caroline Li, ExxonMobil

25' Japan – Overview of the key chemical control legislation

Hitoshi Nanimoto, NITE

20' Malaysia – the current status of chemical legislations

Hanisah Ahmad,
Department of Occupational Safety
& Health Malaysia

10:00 – 10:30

Coffee break

10:30 – 12:45

Chemical control legislation in the Asia Pacific region

Chair: **Cheri Kedrowski**, 3M

10

25' Cambodia, Indonesia, Laos, Philippines, Singapore, Thailand and Vietnam
– Overview on chemical control legislation (labelling, SDS, existing and new
substances, etc)

Caroline Li, ExxonMobil

25' Australia and New Zealand

Nick Zovko, Chemistry Australia

20' Eurasian REACH developments

Meglana Mihova, EPPA

20' Turkey – Chemical control legislation; KKDIK, KOK and SEA

Selcuk Bilgin, Doruksistem

45' Q&A on the Asia Pacific region

Chair: **Cheri Kedrowski**, 3M

All speakers from session 9 and 10

12:45 – 13:45

Lunch break

13:45 – 15:45

**Managing business impact in the global supply chain of key regulations with
stakeholders**

Chair: **Julius Waller**, EPPA

11

25' Chemicals management implementation – a company perspective

Cheri Kedrowski, 3M

25' How to track new and updated regulations – including how to communicate
regulatory information throughout your business (internally and externally)

Jeff Schatz,
Thermo Fisher Scientific

25' How to effectively organize and handle global regulatory challenges and
implement regulations by using IT tools and resources

Mark Herwig,
United Technologies Corporation

25' Avoiding Supply Chain Disruption

Robert Kiefer, REACH24H

20' Panel Discussion

15:45 – 16:15

Coffee break

16:15 – 18:15

Global approach to new chemicals and polymers

Chair: **Julius Waller**, EPPA

12

20' Compare/contrast new chemicals notification systems in North America
and Europe

Jon Gerber, 3M

20' Compare/contrast new chemicals notification systems in the Asia-Pacific

Lynne Oreschnigg, Huntsman

30' Compare/contrast polymer notification systems in North America and the
Asia-Pacific

Jing Hu, Dow

30' Business examples of Confidential Business Information (CBI) in new
chemical notifications in Europe, The Americas and Asia

Jon Gerber, 3M

20' Panel Discussion

18:15

End of Conference Sessions

08:30 – 10:00

Greater China Region – Part 1

Chair: **Caroline Li**, ExxonMobil

Seminar 3

45' Taiwanese legal framework for chemical control legislation

Doris Tsai, SAHTECH

45' The revisions of MEE order 7, the update of the Inventory of Chemical Substances of China, Environmental Risk Assessment and Control of Chemical Substances

Robert Kiefer, REACH24H

10:00 – 10:30

Coffee break

10:30 – 12:30

Greater China Region – Part 2

Chair: **Caroline Li**, ExxonMobil

Seminar 3

45' Updates on New Chemical Substance Notification (NCSN) scheme and case studies

Rose Passarella, Intertek

30' Lessons learned by industry in implementing and complying with relevant regulations in China region. Including a perspective on new regulation on national chemical environmental management and future trends

Lynne Oreschnigg, Huntsman

25' Impact of trade tensions between USA and China on industry

Ed Brzytwa,
American Chemistry Council

20' Q&A

12:30

End of ChemCon The Americas 2020

Why Attend?

ChemCon Conferences is a renowned global platform offering you a unique opportunity to:

Enhance Your Knowledge

Dedicated business case and specialist sessions on chemical legislation presented by a range of speakers from government and industries around the world.

Leverage the Experience

Learn from the legislative approaches taken in managing new developments; share your insights during Q&A sessions and panel discussions.

Build Your Network

Connect with industry peers and authorities during the conference, exhibition and social events.

Drive Your Compliance Efficiency

Information, knowledge and learning designed to help you set and achieve compliance objectives for chemical control regulations.
